# CENTRY™ O.B.

**THE CENTRY O.B.** light offers tremendous agility, along with the other fine features found in the industry-standard Centry Prestige series. Now, with the addition of this lightweight, flexible floor stand and suspension arm, portability has never been so smooth.

Additionally, the Centry O.B. light head is capable of being positioned in a larger vertical sweep than any prior model. The result – one of the most articulate and easy-to-use portable procedure lights in the medical marketplace!

- 4,000 foot candles (43,000 lux) at 24" (61cm) distance
- Over 4,300° Kelvin color temperature
- Cool, homogenous light pattern
- Long-life quartz/halogen bulb
- Large vertical sweep of suspension arm/light head
- Full rotational head-to-yoke connection
- Standard removable & sterilizable handle
- Glass dichroic reflector with secondary heat-absorbing lens
- Convenient upright post handle for easy movement of floor stand
- Suspension arm can be folded down to facilitate closet storage

*The Centry O.B. has a larger vertical sweep than any prior model.*
